SEBO DART 3 ULTRA HIGH SPEED FLOOR POLISHER

PRODUCT CODE: 9875NZ

Commercial Floor Polisher & Vacuum -

Keeping your hard floors polished and dust free has never been easier! The SEBO Ultra-High-Speed (UHS) Floor Polisher works with a new patented drive disc, polishing and vacuuming hard floors at the same time.

The automatic torque controlled height adjustment guarantees that the floor pad is at the optimum setting for its polish and vacuum dual task capability. With a rotation of 2000 rpm, and with a resin containing micro diamonds coating the floor pads, the SEBO DART 3 creates a unique gloss effect on the floor surface.

You need to know that your commercial floor polisher and vacuum cleaner will deliver results each and every time it is used. The Dart 3 removes fine dust with ease while polishing hard floors at the same time. The result is a spotlessly clean floor - all without the use of water or chemicals!

Ideal for small and medium sized areas, the SEBO Dart 3 provides optimal floor care wherever it is used. As an upright cleaner, it is easy to use and store, making it the ideal commercial vacuum and floor polisher in one!

BENEFITS

- Award winning reliability
- Light and easy to use
- Flat to the floor design
- Ideal for hard floors and with an additional head, for carpet too
- Optional attachment for carpet is the SEBO ET2 Powerhead.

FEATURES

- Suction motor 1300 watt, Brush motor 200 watt

SUSTAINABILITY

Cottonsoft and its affiliate APP (Asia Pulp & Paper) share the same philosophy, that is, we are committed to promoting sustainable development which is economically, socially and environmentally responsible.

Cottonsoft are proud to support a range of community, sustainability and environmental initiatives both locally and globally. Initiatives range from rainforest rehabilitation to soft plastics recycling and Bowel Cancer NZ sponsorship.

The Cottonsoft B2B converting facility uses world leading production technology, ensuring a modern, environmentally efficient site. Our plant has minimal waste streams, and waste paper, board and plastic are recycled.

CERTIFICATION

The Livi brand is PEFC certified, plus CottonSofts and Tuffy brands also have ECNZ certification.

APP has enforced a zero deforestation policy since 2013 plus a zero fire policy protecting forestry assets since 1996.

**All Livi paper products
are PEFC Certified**

In addition to ensuring our products are sourced sustainably, certification also extends to safe, ethical and socially responsible work practices, both locally and via our global supply chains.
