# Extreme

## Liquid Laundry

Extreme is a clear, thick blue liquid combining a blend of powerful cleaning agents, detergents and speciality optical brighteners. Extreme ensures maximum cleaning performance on all soils encountered leaving fabrics clean and bright with a fresh residual fragrance.

### Application:

Extreme can be used in all types of washing machines, front and top loading to remove a wide range of household stains including grease, fat, blood, oil, dirt and perspiration. Extreme is also suitable in industrial washing machines for use in on premise laundries such as nursing homes, motels and hotels.

### Direction for use:

- 1. Top loading machines:** use  $\frac{1}{2}$  cup for a normal wash load. For heavy soiling use up to 1 cup.
- 2. Front loading machines:** use  $\frac{1}{4}$  cup for normal wash loads. For heavy soiling use  $\frac{1}{2}$  cup.
- 3. Hand washing and soaking:**  $\frac{1}{2}$  cup to a bucket (5 litres).
- 4. Pre spotting:** Pour a small quantity onto the stain, rub gently and place soiled garment and balance of detergent into the wash.

### Features & Benefits

- Ensures economical dose rates
- Controlled foam properties
- Suitable for top and front loading machines
- Excellent cleaning results in hot or cold water
- Provides flexibility of wash temperature and energy saving
- Contains superior optical brighteners
- Produces maximum whiteness and brightness
- Contains a speciality substantive perfume
- Leaves a fresh residual fragrance on the fabric.
- Dual purpose
- Can be used as a pre-spotter for tough stains
- Contains water softeners
- Suitable for all hard water conditions.

### Health & Safety Information:
